

DESIGNED ARCHITECTURAL LIGHTING

ASIA
PROJECTS

ASIA PROJECTS

Since they began trading in 1984 DAL has manufactured and supplied luminaires for many prestigious projects throughout the regions East Asia, Southeast Asia, South Asia and West Asia.

DAL has a long and enduring relationship with a network of long established distributors and able to support large and small projects, whether the products are specified locally or by world renowned lighting consultants, architectural practices or consulting engineers.

DAL prides itself with having a portfolio of work that includes many of the biggest and most significant architectural projects worldwide.

About DAL:

- Designers and manufacturers of technical high-specification lighting.
- Major suppliers to commercial architectural, infrastructure and transport projects, art galleries and museums, leisure and retail outlets.
- Based in Central London and Essex.
