STADIA  
&  
SPORTS VENUES

# STADIA & SPORTS VENUES

It is not just the pitch or court that needs to be lit. DAL has been supplying luminaires for all other areas of stadia and sports venues since they began trading in 1984. Standard products and custom designed luminaires have been supplied to many public areas including the bars and restaurants, stairs, walkways and washrooms. On the players side: management offices and changing rooms, training and therapy areas, broadcast centres, meeting rooms and corridors.

DAL has supplied lights for many, here are some key projects:
